Facebook Games and Tips: playing games and basic etiquette

Facebook:

The purpose of Facebook is to help you remain in contact with friends and family as well as reconnect with other people. Facebook can also be used for games.

Games:

Games are located on the left side of your home page. Click on Games to explore by Top Charts or type of game.

Games require sharing your personal information. Understand what personal information will be shared before starting a game. Games also post to your wall. Set who will see these posts before starting a game.

Popular games include the following:

- Candy Crush Saga
- Diggy's Adventure
- Pet Rescue Saga
- Dragon City
- Trivia Crack
- Criminal Case
- FarmVille 2

Tips:

- Remember Facebook etiquette.
 - Be polite.
 - Do not over-post.
 - Ignoring a friend request is acceptable.
- Be smart; the Internet is public and forever.
- Check privacy settings regularly.
