COLOR OUR WORLD™

2025 Summer Reading Program for Kids Entering PK-5th Grades
June 23-August 10

Kids going into PK-5th grades! Read this summer and try out our library activities for prizes and entries toward our raffles! Participate digitally with READsquared or in person with our paper reading records-- whichever works best for you and your family!

Count the time you spend reading to earn prizes! Report on reading (being read to or listening to an audiobook also counts!) and try out activities on our bingo board to earn a weekly prize pick and entries toward our larger raffle drawings.

We have multiple ways to participate! Register online at <http://salinalibny10.readsquared.com/> , through the READsquared app, or in person at our circulation desk:

Pick up your goodie bag with your first reading record and other fun things inside. Fill out the reading record and any Bingo Board activities for the week and bring it back the next week for your weekly prize, craft kit, and to be entered into our raffle drawings. Bring it back each week for more fun!

Or:

Use READsquared through our website or the READsquared app to record your reading and bingo board activities. Stop by the library once a week to receive your weekly prize for reading and, if you're interested, pick up one of our craft kits! Don't forget to spend your raffle points in READsquared!

Everyone who reads and turns in their reading by 8/10 gets a FREE BOOK at the end of the summer -- so start reading, imagining, and creating!
