SUMMER

2021

READING

EVENTS

Tails and Tales

for kids entering grades
PK through 5

JUNE 21 - AUGUST 22

Kids going into PK-5th grades! Read this summer and try out our library activities for prizes and chances at our raffles! Participate digitally with Readsquared or try our new paper reading records--whichever works best for you and your family!

Count the time you spend reading to earn prizes! Report on reading (being read to or listening to an audiobook also counts!) and try out activities on our bingo board to earn a weekly prize pick and points toward our larger raffle drawings.

We have multiple ways to participate! Register online at <http://salinalibny10.readsquared.com/>, through the Readsquared app, or in person at our circulation desk or during outdoor events. Pick up your goodie bag with your first reading record and other fun things inside. Fill out the reading record and any Bingo Board activities for the week and bring it back the next week for your weekly prize, craft kit, and to be entered into our raffle drawings. Bring it back each week for more fun!

Or:

Use Readsquared through our website or the Readsquared app to record your reading and bingo board activities. Stop by once a week either inside the library or during our outdoor events, to receive your weekly prize for reading and, if you're interested, pick up one of our weekly craft kits! Don't forget to spend your raffle points in ReadSquared!

Everyone who reads and turns in their reading by 8/22 gets a FREE BOOK at the end of the summer, as well as the rest of our summer fun! So start reading, imagining, and creating!

Sign up today!

SUMMER EVENTS FOR KIDS

Wednesdays

Fun For All Story Time July 7-August 11 | 11:00 AM

Weekly online storytime for ages 3-6 with stories, rhymes and songs. We will meet using Zoom so children can have some "face-to-face" interaction with each other as well as with Miss Monica. For added fun, pick up one of our monthly Storytime kits, with activities to match our weekly themes!

Grownups are invited to hang out as we sing and play together!

Register for the Zoom link on our events calendar at www.salinalibrary.org.

Thursdays

Sidewalk Art July 1 | 2:30 PM

Kick off our summer of Tails & Tales with us as we decorate the library parking lot and sidewalks. Afterwards, cool off with a delicious ice cream sundae! This is an outdoor event. Rain date for this event is Fri. 7/2 at 2:30 PM. Families/groups are requested to bring a beach towel or picnic blanket if possible for a family space, and a few will be available if needed. Masks are requested when moving up and away from your family spot.

Sharks!! July 8 | 2:30 PM

Learn some cool shark facts while testing your trivia skills, while we also make some awesome shark-related crafts! This is a virtual event, with a take-home kit component. Pick up the kit during the week before the event to be prepared to craft along! Register for the Zoom link on our events calendar at www.salinalibrary.org.

Dave the Magician July 15 | 10:30 AM

Dave Moreland (formerly 'Moreland the Magician') presents a high-energy show packed with magic, comedy, puppets, and audience participation. The Great & Powerful Dave will teach you a magic trick you can perform with things from around the house. This is an outdoor event. There is no rain date for this event. Families/groups are requested to bring a beach towel or picnic blanket if possible for a family space, and a few will be available if needed. Masks are requested when moving up and away from your family spot.

DIY Squishies July 22 | 2:30 PM

Learn how to create and paint your own squishy toy. Dress for a mess; we will be using paint! This is an outdoor event. Rain date for this event is Fri. 7/23 at 2:30 PM. Families/groups are requested to bring a beach towel or picnic blanket if possible for a family space, and a few will be available if needed. Masks are requested when moving up and away from your family spot.

MOST Live Science Demo: Tails & Tales July 29 | 2:30 PM

Each animal has a tale to tell, and we don't just mean the physical tail that you can see. In this live science demonstration, we will learn about the characteristics that scientists use to classify animals, take an up-close look at specimens from real animals, and explore what makes each one unique! This is an outdoor event. Rain date for this event is Fri. 7/30 at 2:30 PM. Families/groups are requested to bring a beach towel or picnic blanket if possible for a family space, and a few will be available if needed. Masks are requested when moving up and away from your family spot.

Nature Art August 5 | 2:30 PM

Learn how to make art using materials from the natural world, including the sun! This is an outdoor event. Rain date for this event is Fri. 8/6 at 2:30 PM. Families/groups are requested to bring a beach towel or picnic blanket if possible for a family space, and a few will be available if needed. Masks are requested when moving up and away from your family spot.

Horse 101 August 12 | 2:30 PM

Learn the basics about working with horses, from safety, proper care of horse and tack, nutrition and shelter needs, and more, with a visit from Katie the miniature horse, from Winterberry Homestead! This is an outdoor event. There is no rain date for this event. Families/groups are requested to bring a beach towel or picnic blanket if possible for a family space, and a few will be available if needed. Masks are requested when moving up and away from your family spot.
